

## **GRADUATE ADMISSION**

**The following measures have been implemented to accommodate graduate program changes related to the COVID-19 pandemic.**

### **Master or Arts in Teaching (MAT)**

Changes in State Guidelines allow us to offer

ED 527 Test and Measurement and

ED 521 as part of the 2020 summer schedule.

As gateway courses in the Master of Arts in teaching Program. Once completed with a grade of “C” or above, students in this program are eligible for an Alternate Route License (Nonrenewable) which allows them to find employment in a Mississippi School District.

### **GRE**

The GRE requirement for graduate programs in the following Units has been removed.

Applied Science and Technology

Biology

Biotechnology

Chemistry and Physics

Education and Psychology

English, Languages and Mass Communication

Fine Arts

Health, Physical Education and Recreation

Mathematics and Computer Science

School of Business

School of Nursing

Social Sciences
