**RE: RESCHEDULING OF CLASSES IN BOYKINS BUILDING**

Please take note: The Morris Boykins Building will be **closed** as of March 19, 2018 for renovations until further notice. We anticipate that it will take eight (8+) months for the renovation. See rescheduled classes below.

Accordingly, instructors should immediately notify students of the impending move, i.e. e-mails, postings, etc. We appreciate your patience as we continue to enhance academic facilities and learning environments.
