Policy Title: Continuity of Program

Policy: *The Graduate School policy on Continuity of Program* contains the policies and regulations of the Alcorn State University Office of Graduate Studies. This policy has been established by the Graduate School Graduate Council to ensure consistent standards across Graduate programs.

CONTINUITY OF PROGRAM

Students pursuing a degree at the graduate level must enroll each semester to be considered a continuously enrolled graduate student. No break in enrollment must occur. If a graduate student does not attend the university for a semester or more and later wants to return to pursue his/her program of study within the statute of limitations, he/she must be readmitted. The student must meet the academic requirements in effect as a readmitted student. Graduate programs reserve the right to change course requirements for the degree as long as sufficient publication notice has been given.
