

PREFACE

Alcorn State University Mini Factbook is a compilation of basic information to answer frequently asked questions about the university. This includes information on enrollment, student characteristics, faculty characteristics, research activities, and sponsored projects.

Starting fall 2018, Alcorn State University's expanded Factbook is now electronic. Please access the "2023-2024 Fact Book Electronic Version" link.

Your comments and suggestions will help us to improve this publication and assure that it continues to be a ready source of information. We hope that you find the data/information reported in the mini Fact Book and Electronic Factbook informative and useful.
