______ hours of my personal leave and/or ________ hours of my major medical leave. According
to the Office of Human Resources, I have a balance of ________ hours personal leave and a balance of
______ hours major medical leave, as of period ending _____________________.

(Note: Leave donated must be in 24-hours increments. The 24-hours may be a combination of personal and major
medical leave.)

I donate these hours to be used for the catastrophic injury or illness to either the recipient employee or his or her
immediate family requiring the services of a licensed physician for an extended period of time and that has forced
the recipient employee to exhaust all leave time earned by that employee resulting in a loss of compensation. I
understand that if the total amount of leave I donate is not used by the recipient employee, the donated leave will be
returned to me on a pro-rata basis, based on the ratio of the number of days of leave donated by each donor
employee to the total number of days of leave donated by all donor employees.
