### School of Nursing Undergraduate Nursing Programs Accreditation Notice

The Accreditation Commission for Education in Nursing (ACEN) moved to a new headquarters in fall 2020. In addition, ACEN's Policy #9, *Disclosure of Information About an Accredited Program*, was revised in November 2020. Policy #9 states, when a governing organization and/or nursing education unit makes a disclosure regarding the ACEN accreditation status of a nursing program, it must

1. accurately cite each nursing program (e.g., clinical doctorate, DNP specialist certificate, master's, post-master's certificate, baccalaureate, associate, diploma, and/or practical); and
2. accurately identify each nursing program's accreditation status with ACEN.
