Graduate Faculty

Graduate Council policy requires the Graduate Council to approve faculty in advance of their teaching for the graduate programs at Alcorn State University. Eligibility for Graduate Faculty Membership is determined by the criteria for graduate faculty in accordance with the policies and procedures established by Graduate Council faculty.

Prior to the beginning of each academic term, Department Chairs and Deans are responsible for reviewing graduate program instructional needs and insuring faculty being assigned to teach graduate courses have been approved as qualified to do so. Faculty being considered not previously approved must be presented for consideration by the Graduate Council. Expired memberships must also be approved in advance
