AND APPLIED SCIENCES

2022 ALUMNI HALL OF FAME

HISTORY

The Alcorn State University School of Agriculture and Applied Sciences Alumni Hall of Fame was organized in 2015 with its first honorees in 2016. The Alumni Hall of Fame honors distinguished alumni and community leaders whose character and accomplishments exemplify outstanding achievement in the fields of agriculture, human sciences (formerly home economics/family and consumer sciences), advanced technologies (formerly industrial technology/industrial arts) or community leadership, annually. This prestigious award will honor individuals who are/were visionary and inspirational leaders, who have made significant contributions in their field of specialization or service to the community; demonstrated university spirit, professional and leadership characteristics. All proceeds will be used to support student scholarships.
