---

---

### Policy:

Alcorn State University restricts the operation of drones. For this policy, a drone is defined as "an unmanned aerial vehicle" (UAV) or "an unmanned aircraft system" (UAS). This restriction applies to privately owned and business drones and is extended to any equipment affiliated with the drone. The operation of drones on the Alcorn State University campus is strictly prohibited and limited to those who have received prior approval from the Campus Police Department. Violators will be arrested and the drone will be impounded. The safety and privacy of our students, faculty, staff, and visitors on our campus is our primary concern.
