Volunteers

Volunteers and parents help make 4-H possible. Without 4-H volunteers and parents the program would not have the mentors and leaders that 4-Hers need in order to learn the new skills that 4-H has to offer youth. With each volunteer comes knowledge, experiences, and skills which can be taught to 4-H youth and shared with the 4-H program "to make the best better."

Volunteers and parents are a major reason for 4-H's success in youth development. Since 1902, parents and volunteers have helped the 4-H program develop successful leaders, build young minds, and set the path for 4-Hers to take the world by storm.

To become a 4-H volunteer, you will be invited to special training meetings and will receive to help you learn your responsibilities as a volunteer. Your County Extension Educator and current volunteers will mentor you too.

If you would like to learn more about becoming a 4-H volunteer, contact the Manola Erby, Youth Specialist mcerby@alcorn.edu.
