

# ATTENTION FARMERS

## WHO GROW AND SELL PRODUCE IN MISSISSIPPI:

### **PRODUCE SAFETY ALLIANCE GROWER TRAININGS ARE AVAILABLE.**

The Produce Safety Rule regulations help to prevent foodborne illness and applies to farmers who grow and sell fruits and vegetables. It is divided into key requirements that are intended to prevent contamination of produce during production, harvesting and post harvesting.

Produce Safety Alliance Grower Trainings are available to help meet the requirements of the Food Safety Modernization Act (FSMA) and help growers to understand and comply with Produce Safety Rule regulations.

**Find out what regulations affect you  
and how to reduce risks on your farm.**
