Summer Development Program Participants

- Must have a current Housing Application on file.
- Must pay the **\$125.00 nonrefundable application fee**.
- Summer camp and conference rates do not apply to participants in this program.

In-Hall Contacts

Each group must identify a primary "in-hall" contact person for each residence hall occupied by the group. In-hall contacts are vital to success of the overall camp experience. The in-hall contact should be the first person(s) to check-in for a group and the last person(s) to check out. **No participants will be allowed to check in until the in-hall contact person(s) is checked in.**

In-hall contact persons are expected to:

- Provide counselors and staff for the camps, a minimum of one counselor per ten participants is **REQUIRED**. Participants must be supervised at all times.
- Inspect residence hall facilities immediately prior to and after the session.
- Advise participants of appropriate check-in and check-out procedures including charges for damages and lost keys.

He/she will develop a comprehensive work schedule; assist with distribution of keys and room assignments as needed to provide the best possible service to camp guests. The hall manager will be available to assist the Camp/Conference Director in providing adequate supervision and disciplinary guidelines to participants.

After camp completion, the Hall Manager will be responsible for submitting to the Department of Residence Life the final count of rooms/beds used.

Residence Hall Security

For the safety of all conference guests, all residence halls will be secured 24 hours per day. During conference check-in and check-out, residence hall lobbies will be unlocked to allow for ease of conference operation.

Summer Conference Guidelines

HOUSING POLICIES AND PROCEDURES

The group sponsor should estimate as closely as possible the number of students and counselors needing University housing for the session. This should be submitted no later than Monday, May 13, 2024, via email. Space will be reserved as per the reservation. Requests for space will be granted on a first come first serve basis. Concurrent camps/conferences may result in two or more groups occupying the same residence hall.

FINAL ARRANGEMENTS

At least two (2) weeks prior to the start of the camp/conference the group's sponsor should contact the Summer Conference Coordinator to finalize arrangements. Issues to be discussed include early arrivals, pre-camp inventory of the residence hall, check-in and check-out procedures, room assignments, storage of equipment, late departures and post-camp inventory of the residence hall.

Housing damages and lost key charges are assessed after the group has left the residence hall but remain the group sponsor's responsibility. Groups meeting in the lobbies of the residence hall are responsible for the general cleaning of these areas. Food deliveries are not permitted after the front desk closes.

Participants may not use hallways, floors or rooms other than those assigned to the group.

SPECIAL ACCOMMODATIONS

Any participant that will need special accommodations due to a disability should contact the coordinator prior to arrival on campus. Reasonable accommodations will be made.

ROOM CHANGES

Room changes are only permitted upon written authorization from Conferences Services. Unauthorized changes will require that the persons involved vacate the occupied room and move back to the original assignment.

FACILITIES AND FURNISHINGS

All of the residence halls have lounges and vending machines. Room furnishings vary by hall but include the following:

- ≈ 2 closets/wardrobes, 2 dressers, 2 desks, 2 twin beds, and 2 chairs. Maid service is not available; however, common area cleaning is provided on a daily basis.
- Guests and/or sponsors must remove all trash from the building to appropriate receptacles.

ROOM CONDITION AND DAMAGE CHARGES

Prior to the group's arrival, Conference Services staff will complete a room condition report documenting the condition of the room and furnishings. A sponsor can request a copy of the report for the assigned locations to the conference at registration. Sponsors have 24 hours to report any discrepancies between the provided information and the actual condition of the room. The sponsor is held responsible for any changes in the condition of the rooms assigned to the conference and their furnishings. Damages refer to those things outside the normal use and depreciation. If damage does occur, it is the sponsor's responsibility to pay the charges and collect the amount from the responsible individual(s). The damage amount including labor will be reflected in the group's final bill.

- ≈ It is the Department of Residence Life's expectation that residential conferences will NOT engage in activities that would result in participants returning to the residence halls wet, muddy or covered in substance that could be tracked into the building or leave excess residue.
- ≈ After a group has departed, the residence hall staff and in-hall contact for the group will check each room and make a list of damages. Charges for damages will be made to the sponsoring group. A detailed damage list "by room" will be provided upon request.
- ≈ We suggest you make participants aware that the group will be held responsible for damages and excessive trash. Please note that additional charges may be assessed for:
 - Mattresses moved from one room to another.
 - Furniture that is moved from one room to another.
 - Rooms, bathrooms, public area or kitchens that are left dirty.
 - False fire alarms or damage to fire protection equipment.
 - Damage to network, telephone or cable TV jacks.

ROOM OCCUPANCY

- ≈ One (1) bed will be provided for each participant/leader in either a single or double room.
- ≈ If rare cases if space allows, sponsoring groups may request to have one room per participant. If this request is approved by the Summer Conference Coordinator, the sponsoring group will be charged and additional fee per night per person for those participants occupying these "single rooms."
- ≈ Exceptions to this policy may include, but are not limited to, an odd number of participants or adult leaders with a youth conference. All exceptions should be discussed with the Summer Conference Coordinator during the pre-conference meeting to ensure accurate billing.

ROOM SUPPLIES INFORMATION

- ≈ ONLY toilet paper will be provided in the residence halls.
- ≈ **Linens are not provided to Summer Conference Participants, so please plan accordingly.**

ROOM KEYS

- ≈ At check-in, each participant must check his/her own key out at the front desk of the residence hall. **Group sponsors cannot pick up or return blocks of keys.**
- ≈ Each conference guest must check out at the front desk at the conclusion of the conference and turn in his/her key or an improper checkout fee of \$25 per guest, per key will be assessed to the sponsoring group.
- ≈ A room key will be issued to each participant residing in the hall.
- ≈ Lost and unreturned keys will be billed to the sponsoring group in the final conference invoice at \$75 per key. Participants have the option of paying for the lost key at the Bursar's Office before checking out of the hall so that the key is not billed to the sponsoring group. Youth conferences are especially encouraged to have counselor/camper meetings before check-out to verify whether campers are missing any keys so that payment can be made by the camper or his/her parent at check-out. A list of participants who lost or failed to return keys AND who did not pay in person for those lost keys will be provided to the sponsoring group upon request.
- ≈ A Hall Manager will be available to assist the in-hall contact with participants who are locked out of their rooms. The Hall Manager will meet with the in-hall contact and resident who is locked out and unlock the door for the resident. **For security reasons, both the in-hall contact and the resident must be present in order for the Hall Manager to unlock the door.**

CHECK-IN

- ≈ Check-in dates and times are arranged during the pre-camp housing meeting. **Check-in is limited to a maximum of three (3) hours. It is very important that participants abide by these dates and times since the front desks have limited coverage.** Staff may not be available outside of these hours to immediately check persons into their room.
- ≈ The in-hall contact will provide a list of participant names upon checking into the residence hall. **No one will be allowed to check in until this list is provided.** This list is the official record of the group's stay at Alcorn State University; it is used to tabulate housing billings and is the record of room key issuance to participants.
- ≈ **Camp leaders who plan to arrive in advance of (or stay later than) their group must include this in their written agreement with the Department of Residence Life.**
- ≈ If there is a need for a change in times or if there is an individual problem, the group leadership should contact the Residence Life Office to see if other options might be available.

CHECK-OUT

- ≈ These times are arranged during the pre-camp housing meeting. **Check-out is limited to a maximum of three (3) hours.** Early check-out times should be arranged in advance with the Summer Conference Coordinator so that the in-hall staff can be available to assist.
- ≈ **IMPORTANT NOTE:** Individuals who fail to checkout will be charged for the full time the group resided in the hall. Any group who fails to complete proper check-out will be charged per person for an additional night.
- ≈ No participant may remain in a room after the designated group check-out time.
- ≈ **It is very important that all participants check out at the front desk of the residence hall.** At that time, keys will be returned and a record will be made of the departure date of each guest. The group will be billed only the actual nights stayed, except where individuals leave early without checking out with Summer Conference staff.
- ≈ **Individual persons checking out after 5:00pm will be billed for that night's stay.**

CHILDREN IN THE RESIDENCE HALLS

- ≈ Every individual, regardless of age will be included in the housing billing sent to the sponsoring group, even if a child is only accompanying a parent who is the actual conference participant.
- ≈ Childcare and/or nursery facilities and services are not available in the residence halls.
- ≈ Youth Conference Attendees – Youth groups (high school age and younger) must have one adult counselor/chaperone for every 10 youth. Counselors/adult supervisors will need to be identified on the final rooming list and will be required to stay on the same overnight floors as the participants.

CURFEW

- ≈ **Group leaders MUST be in the residence halls and available to the participants at any time that any participant is in the halls.** *This is especially critical for youth conferences.*

DISCIPLINE

- ≈ **IMPORTANT NOTE:** Youth groups (high school age and younger) must have one adult counselor for every 10 youth.
- ≈ Discipline is the responsibility of the group leadership.
- ≈ The Alcorn State University Department of Residence Life reserves the right to refuse service. We also reserve the right to remove camp participants/counselors etc. from housing facilities that violate University and Residence Life policies and procedures.
- ≈ Any misuse of the residence hall may cause a group to be restricted from future participation in our summer program.

PET POLICY

- ≈ No pets are allowed for any reason in any of the residence halls.
- ≈ There is a **\$60 fine** for any participant that brings a pet into any of the residence halls.
- ≈ **ONLY** service animals will be allowed in the residence halls. This information should be submitted to the Summer Conference Coordinator at the pre-camp meeting.

SALE OF MERCHANDISE AND ADVERTISING

- ≈ There are to be no sales of food or drink items on campus other than by Alcorn State University Dining Services or from vending machines that are already placed in the buildings.
- ≈ If approved at the pre-conference housing meeting, organizations may have a camp store in the residence hall for the purpose of merchandising items that are specific for that organization and camp (e.g. cheerleader clothing and equipment for cheerleader camps).
- ≈ No banner may be affixed to the exterior of the residence hall.

LOST AND FOUND

Lost and found items should be turned into the front desk. At the end of the camp, the Camp Director may pick up any lost and found items. Anything left over from the camp will be turned into Campus Police. ASU will not be responsible for lost or stolen items.

POLICY ENFORCEMENT

Individuals and group sponsors are reminded that use of the residence hall is strictly conditioned on compliance with the requirements set forth herein, all policies of the University and all residence hall regulations.
