Greetings Prospective Exhibitors/Vendors,

The Small Farmers Conference is held annually and is designed to make small farmers aware of new and innovative farming strategies, issues affecting small farmers, marketing situations and opportunities for women in business. This year, we continue in a new direction as we focus on improving what has been a successful endeavor. The conference theme “*Enhancing and Sustaining the Small Farmer through Entrepreneurship, Innovation and Technology*” captures the intent to advance farming to the next level. The conference will bring together a diversified group of farmers, women in business, professional service agencies (state and federal), university personnel, representatives, and youth from the agriculture industry.

We are requesting that you are set up by Monday, September 22, 2025, at 8:00 a.m. at Harlow’s Casino and Resort located at 4280 Harlow’s Blvd, Greenville, MS 38701. The exhibit hall will be open for setup on Sunday, September 21, 2025, after 2:00 p.m.
